

Otsego Numismatic Association

Meeting Notice for April 30, 2017

Sunday April 30th

Dear Members:

The regular meeting of the coin club will be held **Sunday, April 30, 2017** at the Sixth Ward Athletic Club in Oneonta. The Auction preview will start at **1pm** and the meeting starting at **2:00pm** followed by the auction. **I would like to apologize up front for the lateness of the meeting, but Easter got in the way and the adjacent weekends were booked for the room. I will try to do better going forward.**

With the good Sunday Afternoon turnouts and the great auctions, this month's list should keep us on track for another good meeting. Be sure to take a few minutes before the auction to check out the items that you think that you might want to bid on, it is the responsibility of the buyer to make sure that the item is in fact what the consigner has indicated. Auction lots are available to be viewed at my coin shop prior to the auction. **Absentee bids may be left on any auction lots, just let me know.**

The show was a success, we have had better and we have had worse. Due to personal reasons, all of the advertising did not happen as expected but I felt that we still had a respectable turnout and the dealers were happy with the show for the most part. I may be able to have a report at the meeting if all the numbers are in by then.

Just a quick note, silver and gold prices seem to be trending upward, it may be the start of something bigger.

As always, come early, bring a friend and take home a new old coin.

If there is anything that you need in the line of supplies or coins, please let me know

Special Notice: *I am still encouraging people to sign up for E-Mail notices, please contact me at gbeams@stny.rr.com, or give me a call at 607-432-6686. Thank you!*

Just as a reminder, everyone is welcome to bring items to sell prior to the meeting without charge if you wish. I would love to see a mini show every month.
